They have all been temporary suspended why the Mayor works through the Kush issues first in our Parks and Public areas and then second, we be working to set up discussions with the faith base orgizations on how to best provide services to those in need, not just feedings.

Joe – over the Labor Day Weekend – I understand that ALL Charitable Feedings have been cancelled until further notice.

Can you please advise if there are any plans in the future to reinstate feedings.

The Museum District and Midtown will be having a meeting regarding homeless initiatives.

Just want to know how to handle.

Thank you.
